Daily Loom

1: Mix up the types of lists that you do: Don't do that same list/list headline every single day:

- Twitter is all about creativity so keep it varied.

2: Hook people in: <https://x.com/JulianGoldieSEO/status/1802912688504557859>

- EVERY Tweet must have a good HOOK!

- Grab attention + give people a reason to read!

- Always answer the question - what's in it for the reader + why should they keep reading?

Simple + actionable

3: Remove the weird language:

THIS IS ME
